

# Welcome to PreKindergarten

PreKindergarten programs are designed to meet the needs of a targeted group of children. Not all children will be accepted into our PreKindergarten programs. Students applying for PreKindergarten need to meet one or more of the following criteria:

- Family has low-economic status
- Mother has less than high school education
- Home language is not English
- Child is experiencing difficulties in speech or language
- Child is experiencing social or behaviour difficulties

## The Program

**PreKindergarten is offered  
at the following schools:**
